by c. h. r.

This writer wishes to pay testimony to the memory of the late M. Black, of Pamplin. He lived a long and full life, and our county is poorer, if ever, had a finer citizen. When a man of his stature dies I always recalls the lines of John Donne, "Ask not for whom the bell tolls." It tolls for you and me.

Thanks to Rep. Watts M. Abbitt for furnishing me a copy of the Biographical Directory of the American Congress, 1774—1961.

Rep. Abbitt has had an earlier issue that is only to 1927. The new one is a huge book, with 2057 pages. Everyone who has served in the American Congress, 1774-1949, is given an alphabetical order, with a brief biographical sketch. The very first name in the alphabetical listing for the House is: Watkins M. Abbitt of Appomattox, Virginia. The last name of the alphabetical listing for the House is: Watkins M. Abbitt of Appomattox, Virginia. The last name of the alphabetical listing for the House is: Watkins M. Abbitt of Appomattox, Virginia. The first representative in the 87th Congress, 1961-1962, is Watkins M. Abbitt of Appomattox, Virginia. The last representative in the 87th Congress, 1961-1962, is Watkins M. Abbitt of Appomattox, Virginia.

According to the Charter of the Town of Appomattox, an election will be held on the second Tuesday of June, June 13, of 1961, to elect a Mayor and six Councilmen. In order for any citizen to be eligible for election to any of these offices it is my understanding that said person should file with the Clerk of Appomattox County at least sixty (60) days prior to June 13th.

In December of 1960, I made a definite decision that I would not file as a candidate for Mayor in the Town of Appomattox in order to be eligible for the election in June. It is my sincere belief and opinion that two terms or four years, is as long as anyone should serve as Mayor of the Town. I want to continue to help foster the growth and development of the Town in every way that I know, but as I stated before, I feel that it is the just and proper time, that the office of Mayor should be filled by someone else. I have all the faith in the world in you wonderful people and I am confident that on June 13th you will elect a Mayor and six Councilmen who will perform the duties of their office in a most efficient manner. Let me take this opportunity to thank and commend each and every member of your present Council for their hard work and diligent efforts in carrying out the duties of their office, and I certainly hope that you very intelligent people will return them to their office should they decide to file for said offices again.

Your counsel and advice on all public matters is welcomed at all times.

Sincerely,
C. T. Moses, Jr.

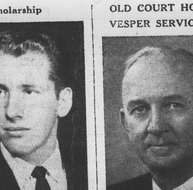
Wins Scholarship



Richmond, Va., March 30 — Harold F. Conner, an honor student at Appomattox High School, has been awarded a $1600 scholarship to the University of Richmond.

Conner is the son of Mr. and Mrs. William Dean Conner, Route 1, Appomattox. Treasurer of the senior class he is also a member of the Beta, Monogram and Hi-Y clubs and participate in football and basketball.

He is 1961 Youth Week pastor at Liberty Baptist Church, where he is a member of the youth and adult choirs and the Royal Ambassadors.

Conner hopes to use his scholarship to help finance study for a career either in law or mathematics. Dr. B. C. Holtzclaw, scholarship chairman said that the award was made on the basis of examination given to hundreds of students, most of them in Virginia high schools.

Funds for Conner's scholarship were made available by a bequest of $47,000.00 from A. D. Williams, distinguished alumnus of the University. Dr. Holtzclaw pointed out that the University gives $15,000 annually in scholarship aid to talented and deserving students.

ABBITT MAKES CASE FOR VIRGINIA FLUE-CURED GROWERS

Washington, March 29.- Representative Watkins M. Abbitt (D-Va.) said today he feels that early action may be expected from the Philippine government to permit the importation into the Philippines of Virginia type flue-cured tobacco.

Representative Abbitt revealed that he and Representative Cooley, Chairman of the House Agriculture Committee, had a "most satisfactory" conference with a delegation from the Philippines regarding exporting Virginia type tobacco into the Philippines. Abbitt said that for some years, the Republic of the Philippines has had a law which prohibits the importation of tobacco into the Philippine Islands."

The Philippine delegation, composed of Ambassador Carlos P. Romulo, members of the Philippine Congress and prominent officials in the sugar and tobacco industry, conferred with Chairman Cooley and Abbitt, who is chairman of the Tobacco Subcommittee, regarding Philippine importation of sugar into the United States. Abbitt said he and Cooley reminded the Philippine delegation that international trade is a "two-way street and the Republic of the Philippines could not expect to continue to receive a sizeable share of the sugar quota imported into the United States if the Philippines continued to discriminate against American tobacco."

The Philippines produce a low grade Virginia tobacco which cannot compete on the market with U. S. flue-cured tobacco. Under the Philippine law, no Virginia type tobacco can be imported into the Philippines unless and until the President of the Philippines certifies that the domestically produced Virginia type tobacco is in short supply. Lifting of the ban would help the American tobacco industry substantially.

You can always recognize a little man in a big office by the tight manner in which he holds onto the job.

MAYOR'S STATEMENT

To the Citizens of The Town of Appomattox:

Let me take this opportunity to thank all of you fine people for the support and cooperation that you have most generously given during the approximately four years that I have served as your Mayor and during the six years that I served on the Council.

County Red Cross Chapter Appeals For Support in Campaigns

William Hunter, Chairman of the Red Cross Chapter of Appomattox County, announces that an intensive drive for membership for Appomattox County will be conducted March 27th through April 1st. The financial goal for this drive is $2268.00. Of this amount, $1260. 00 is retained in the county for local use in sponsoring the American Red Cross Home Services of which Mrs. Don Moses is in charge, and for the operation of the Blood Bank. Appomattox County has not met the financial goal and obligations since 1956. Mr. Hunter, as Chairman, has had to borrow money for the past years in order to retain the chapter. Unless sufficient funds are collected in the very near future, Appomattox will most probably lose the chapter and thus will not be a member of the blood bank.

For this intensive drive, Mr. Hunter has appointed the following people to try to reach the goal of $2268.00: Mrs. Martin Webb and Mrs. Alfred Harwood, Jr., Co-Chairman for the town of Appomattox. Working with Mrs Webb and Mrs. Hardwood will be the following people:

Lawson, Mrs. Jessie Carwile, Mrs David R. Caldwell, Mrs. Bess Franklin Mattox A. Ele, School Mrs. Daniel LeRoux App. High School.

Boothe, Virginia Caldwell, Carol & Sue Gilbert, Suzanne Gille, Joan Moses, Mary Lou Jamerson, Nancy Lewis, Peggy Lewis, Jayne Martin, Carolyns Mays, Kitty Lou O'Brine, Robbie Robertson, and Phyllis Thompson.

Mrs. "Boots" Legrand is treasurer and will receive donations at the Bank of Appomattox.

Mr. Hunter has named the following representatives to solicit the county:

Mrs. Rob Martin, Hixburg.
Mrs. C. M. Stratton, Stonewall.
Mrs. Russel Martin and Mrs. Bob Martin, Trinity Church area.
Mrs. Otha Martin, Jr. Oakville.
Mrs. J. K. Hamilton, Evergreen.

Rep. Watkins M. Abbitt notified The Times-Virginian Tuesday evening that the National Park Service had agreed to change its decision as to the rebuilding of the Old Appomattox Court House, and has now decided to proceed with this project.

This was happy news for Appomattox, and means a great increase in the entire visitor potential here.

Rep. Abbitt met with Conrad L. Wirth., Director of the National Park Service; Elbert Cox, Park Service Regional Director, and Thomas Norris, local Park Superintendent, in Washington Tuesday. After the conference, Mr. Wirth announced that the Park Service would reconstruct the Old Court House.

At a public meeting here recently local and area delegations met with Mr. Cox and urged that the project be restored to the active program of restoration.

Mr. Abbitt advised this newspaper that no set date for completion could be set, since some new blueprinting and research may be necessary. He said that he had hopes that the building would be completed by 1963.

The Old Court House building was destroyed by fire in 1892. It was the focal point in the old village where the War Between the States ended in April, 1865.

Appomattox is waxmly in praise to Rep. Abbitt for his leadership in having this splendid result, and also appreciates the active support of area civic and historical groups for their participation in the effort which has now resulted in success.

Estimated cost of the project is said to be $160,000.

ATTRACTIVE OFFER ON SAVINGS BONDS

"The latest extension offered on the oldest Series E Savings Bonds at a full 3-3/4 per cent annual interest rate is a boon to the thousands of people in this county who still hold Bonds bought between May 1941 and May 1949," J. Carle d Plunkett County Volunteer Savings Bond Chairman, said today.

He referred to the recent announcement by the Treasury dealing with E Bonds that began to reach the end of their extended maturity in May of this year. This second 10-year extension was promised back in 1959, but the terms and interest rate were not announced at that time. Under the new ruling, these bonds will return 3-3/4 per cent each year, compounded semiannually, based on their current cash value (welt over face value).

"All of these bonds bought between May 1941 and May 1949 with a full 3-3/4 per cent return EACH year on the full current value of their bonds. This should encourage them to reap the benefits of this high rate for another full 10 years.

The County Chairman said nearly $15 billion in the 1941-49 E Bonds are still outstanding in the country as a whole.
